REMEMBERING EDNA POWERS

There are few residents of Danbury who did not have contact with Edna in one of her many capacities. For over 20 years she was the Educational Assistant at Danbury Elementary School where she had close contact with pupils and parents.

Edna was interested in the government of the Town, State and Nation; serving as a Trustee of Trust Funds and as a Ballot Clerk for many years. Before Danbury joined the Newfound Regional School District, she served many terms on the Danbury School Board.

Blazing Star Grange was fortunate to have had Edna as a member more than 50 years, serving as Grange Secretary for 20 years.

The South Danbury Church had, in Edna, one of its most dedicated members, a pillar of the Church for 60 years, teaching in the Sunday School and serving as Church Clerk.

In addition to being involved in these activities, Edna was a devoted Wife, a loving Mother and Grandmother, a loyal friend, a good neighbor and a person dedicated to making Danbury a better community.

SELECTMEN'S REPORT

As we look back at the year, 1989, we find that it has been quite eventful. Among the major accomplishments has been the addition to the Town Hall. Words cannot begin to express our gratitude and appreciation to all those who so unselfishly donated their services, with a spirit of dedication, to the Town. The work that has been and will be accomplished will remain a monument to their efforts.

We especially wish to commend our Clerk of the Works, Andy Phelps, and our Project Coordinator, Jean Corsetti, for the untiring efforts toward a smooth and efficient surveillance of this project. We are certain that we reflect the feelings of the entire Town.

The Town grader finally "gave up". We felt the further expenditure of funds to recondition it was not a financially sound approach. The Board made several inquiries, read several proposals, and visually inspected several machines prior to choosing the present machine, which, from all reports, has met or exceeded our expectations. Our Road Agent was very helpful toward arriving at a final decision.

We are pleased with the progress of Ragged Mountain Ski Area and wish them well in their endeavors to expand the recreational areas of the mountain. We are certain that the success of these ventures will be of great benefit to the Town.

The problem of Solid Waste Disposal is forever present and we must be prepared to comply with State-mandated procedures which are certain to be a requirement soon. One of the related problems which we must address is Hazardous Waste Disposal. It is expected that the Town will soon be required to implement approved methods for control of hazardous wastes.

We are certain that all of our people are aware of the increasing financial burdens placed upon us by School, County, Welfare and State Agencies, as well as our local demands. Your Board of Selectmen will continue to maintain Vigilance over spending in order to lessen the impact of these increasing financial burdens.

The Board of Selectmen wishes to acknowledge the contribution of the various Boards and Committees, as well as those who have held elected or appointed positions. Please accept our profound gratitude for your services.

Your Board of Selectmen

Paul (Vern) Russell
Forrest W. Powers
Myrl C. Phelps, Sr.

ANIMAL CONTROL OFFICER

This year I responded to 83 animal calls, including 6 wildlife and 5 livestock calls. Also had 1 mutual aid call. All wildlife calls are free of charge.

There are 254 dogs licensed in the Town of Danbury. This is as close to 100% as I am aware of.

I'd like to stress the importance of inoculating your dogs and cats against rabies, and those license tags help get your loved one home quickly if lost.

DANBURY RESCUE F.A.S.T. 1989

Completing our ninth full year of operation, the Danbury F.A.S.T. had twenty-six calls for service between January 1, 1989 to December 31, 1989.

During this year the emergency telephone number for the F.A.S.T. squad and ambulance was changed, see below for new number.

Anyone interested in becoming a member of the Danbury F.A.S.T. squad and is an E.M.T., R.N., or Advanced First Aider is welcome to join us.

In case of a medical emergency DIAL 1-524-1545.

TOWN REPORT
SUMMARY OF PEMI-BAKER ACTIVITY IN 1989

The Pemi-Baker Solid Waste District worked diligently throughout 1989. The North Country Council assisted the District with plans for future solid waste disposal. Under its newly developed organizational structure, the 53-B solid waste district completed the study of the proposed Rumney ashfill site, and an appraisal of the proposed Rumney and Plymouth disposal locations. The District also developed and distributed a Request for Proposal on the additional work needed at the Plymouth Incinerator. Based on the information gathered and the opinion of industry professionals, the District is investigating disposal options other than the incinerator. The District is attempting to develop a project that will involve the cooperations of the public sector and the District.

GEORGE GAMBLE LIBRARY REPORT

Hours 12-4 P.M.

Librarian: Dorothy McGonnigal

The library had a great year. Circulation went up both in children books and adult books. People have discovered that we have many new books.

The library purchased more than eight hundred dollars worth of new books.

The library is going to need some repairs this year. Hopefully a new ramp and some repairs to the back room.

Robin Heberling has been having a story 1/2 hour every other Saturday at 11:30 for over a year. Thanks to Robin for opening up the world of books to the children.

Thanks to all the friends of the library who have made donations over the past year.

Circulation for 1989: Adults - over 2,900, Childrens - over 1,770

**DANBURY VOLUNTEER FIRE DEPARTMENT
Fire Commissioners' Report**

The Fire Department's highlight for 1989 was the delivery of the new Fire Truck. It has now been fully equipped and is fully operational. Needless to say, it is a welcome addition to our fleet of aging vehicles. It has given us a greatly increased capability in fire fighting.

Another factor that has increased our effectiveness is that five Department Members attended and successfully completed the State's Firefighter I course and are now certified by the State of New Hampshire.

The funds allotted to the Department at last year's Town Meeting were expended as follows:

Red Phones (Jan. '89 through June '89)	\$719.76
Fire School	530.00
Equipment for New Truck	3,750.24
	<hr/> \$5,000.00

In 1989 the Fire Department responded to forty four calls for assistance.

8 Chimney Fires	4 Vehicle Accidents
3 Structure Fires	1 Propane Leak
4 Brush/Grass Fires	1 Rescue
5 Vehicle Fires	1 Service Call
4 Dump Fires	1 Smoke Investigation
6 Electrical Fires	1 Fuel Spill
5 Mutual Aids	

During the observance of Fire Prevention Week two Department Members made Presentations to the First Grade and Kindergarten pupils concerning fire prevention and safety, and one Member conducted a tour of the Fire Station for the Kindergarten class.

TO REPORT A FIRE CALL 1-524-1545.

LAKE SUNAPEE HOME HEALTH CARE 1989 REPORT OF SERVICES PROVIDED IN DANBURY

"When it comes to health care, there's no place like home."

Lake Sunapee Home Health Care, Inc., a non-profit Medicare certified, state-licensed home health care agency, providing health care services to people, regardless of their ability to pay, in 17 towns in Merrimack and Sullivan counties. These services were paid for by Medicare, Medicaid, private insurance, client fees, town and municipal appropriations, grants and contracts, United Way funds, and donations from individuals and businesses.

In 1989, we provided 6,766 nursing and therapy home visits and more than 12,425 homemaker/home health aide hours; cared for more than 455 children at our child health clinics; and conducted adult foot care, flu shots, and blood pressure clinics.

The following chart is a summary of the services provided to people in Danbury in 1989:

HOME CARE PROGRAM

Nursing	38 visits
Homemaker/Home Health Aide	83 visits

HEALTH CARE PROGRAM

Maternal and Child Health

Child Health Clinics	15 clients
Health Promotion	2 clients
Parent/Child Program	2 clients

Adult Health Program

Flu Shots	5 clients

The staff of Lake Sunapee Home Health Care, Inc. and Virginia Noonan, your town representative on our Board of Trustees, thank you for your continued support of our services.

Cheryl Blik
Executive Director

DANBURY KINDERGARTEN ASSOCIATION

The Danbury Kindergarten Association, Inc. was formed to operate a kindergarten in the absence of a public kindergarten program in the Newfound Area School District.

The kindergarten opens in September and closes in May, following the school district's calendar for days in session. Class runs from 9 to 11:30 A.M. Children who are 5 years of age by September 30, making them eligible for entrance into the first grade the following year, may enroll in kindergarten. Children may be enrolled as pre-kindergarten students the year prior to kindergarten. Kindergarten pupils attend school five mornings per week, pre-kindergarten pupils join them for two. There are presently 21 students enrolled.

Mrs. Robin Heberling took over as teacher in September 1989, when Mrs. Shirley Manna retired from her position. Mrs. Shirley Manna has stayed on at the Danbury Kindergarten, as a volunteer director. Mrs. Susan Bucklin joins the Danbury Kindergarten as the aide this year. The enthusiasm she brings to the classroom is a delight to the children.

Tuition is set by the general board (consisting of parents and any interested community member) for the upcoming school year at the annual meeting each May. The tuition of the 1989-1990 school year has not increased from the previous year.

It is the involvement of parents and the support of the local community that has built the kindergarten program into that successful first step in the educational program for so many Danbury children.

The town of Danbury allows the kindergarten to operate in one section of the town hall.

The kindergarten receives donations of materials, time and labor, as well as funds from individuals and groups too numerous to mention but it is all greatly appreciated.

Sincerely,
The Danbury Kindergarten Association

DANBURY PLANNING BOARD

The purpose of the Danbury Planning Board is to provide orderly growth of undeveloped land in Danbury, including the encouragement and promotion preservation, economic growth, and afford the best practicable living conditions with regard to the health, safety, and welfare of residents of the town. We intend to provide safe uncongested roads, and protect taxpayers from future costs of correcting unhealthy and overcrowded developments. In common with the rest of the state of NH large subdivision and building plans seem to have slowed almost to a halt. However, we need to remain vigilant in our supervision of remaining development.

The residents of the Town of Danbury need to help their Planning Board to protect "the way of life" that we enjoy here. There are more regulations voted by the state everyday which we have to comply with. If you have an opinion to express please attend our meetings and share your viewpoint. Notices of meetings are posted at the Town Hall, the Post Office, the Danbury General Store and Dick's Store.

At the present time the state has revised the excavation law pertaining to owners and operators of excavations including abandoned ones and "grandfathered" ones. If anyone plans to operate an excavation check with the Planning Board to see what you need to do before opening.

As I retire from the Planning Board, I "Thank you" for your support since 1968.

Phyllis J. Taylor
Secretary

**COMMUNITY ACTION PROGRAM
BELKNAP-MERRIMACK COUNTIES, INC.**

Community Action Program Belknap-Merrimack Counties, Inc. is requesting program and financial support from the Town of Danbury for the continuation of the Franklin Area Center programs, local services and staff for 1990. The Franklin Area Center, located at 82 Elkins Street in Franklin, provides outreach to the homebound and direct assistance and services to income eligible, low income, handicapped and elderly residents in your community.

The attached budget reflects the minimum costs of maintaining and continuing the operation of the Franklin Area Center. I respectfully request that an item be placed in the Danbury Town Budget in the amount of \$1,006.00 for the continuation of services to the low income and elderly residents of the Town of Danbury through the Franklin Area Center of the Community Action Program Belknap-Merrimack Counties, Inc.

I have also attached a detailed summary which provides a brief description of our programs and the number of people from the Town of Danbury who participated in the programs available through the Franklin Area Center during the past year.

The staff at the Franklin Area Center wish to thank the Town of Danbury for their support in the past. With your continued interest and support, we will be able to continue services and assistance to the low income and elderly residents in your community.

Sincerely,

Tillie Lemire, Area Director
Franklin Area Center

**DANBURY POLICE DEPARTMENT
1989 Annual Report**

In the 1988 Annual Report I reported a 40% increase in police activity over 1987. In 1989, Calls for Service increased from 908 to 1947, a 115% increase. This increase not only indicates unlawful activities but also indicates the willingness of your Police Department to respond to your Calls for Service.

I am projecting a 5.2% increase in Calls for Service for 1990 based on January 1990 activity compared to January 1989. A sagging economy, an increasing population and the continuing effects of substance abuse make the 5.2% projection a conservative estimate.

Again in 1989 Domestic and Burglaries consumed the majority of our time. Domestic increased from 34 in 1988 to 51 in 1989. Burglaries increased from 39 in 1988 to 67 in 1989. Our arrest record and recovery of stolen items is over 60%.

Our Central Dispatch in Concord has worked very well and as such now provides a valuable service to our Police Department as well as those in the community that have utilized the facility during emergency situations. As the phone service in the Danbury area improves, our Central Dispatch will handle the majority of Calls for Service.

Our Mutual Aid Pacts now include Hill, Alexandria and Wilmot. We will add one or two towns this year thus offering a faster response in times of need, given our part-time coverage and the decrease in coverage available through the State Police.

The 1990 budget proposed offers greater police coverage to our community and reflects scheduled patrol activity during high crime periods.

A Public Safety Committee has been organized and is comprised of concerned and dedicated citizens. Our primary objective is to make Danbury a better and safer community for us all.

Your continued support of the Police Department is appreciated and I look forward to seeing you at Town Meeting.

Sincerely,

Stephen Corsetti
Chief, Danbury Police Department

NEWFOUND AMBULANCE RESCUE 1989 REPORT

Newfound Ambulance Rescue experienced another busy year in 1989 with a slight drop in call activity in providing service to Danbury and the surrounding Newfound Area, including the Towns of Alexandria, Bridgewater, Bristol, Danbury, Hebron, and New Hampton.

There were a total of 443 calls during 1989, a decrease of 13 from the previous year. This is the second year in succession with more than 400 calls in a year. For comparison in 1984 there were 316 calls. For the Town of Danbury there were 28 calls, down from 59 the year before. A breakdown of the number of calls per town is shown below.

As was planned, during the past year we replaced the 1981 model ambulance that has served well over 8 plus years, with a new 1989 ambulance of similar design. This new unit has a diesel engine in line with an industry wide switch from gasoline to diesel fuel for ambulances. The funds needed to purchase the new \$40,000.00 plus unit came from monies earned by the Service and we are pleased to say required no extra appropriations from any of the Towns.

Equipment for the new unit was for the most part transferred from the 1981 unit that was traded in. During 1990 we plan to add another defibrillator/monitor so both ambulances will be so equipped.

The year past as well as the year ahead are somewhat of a transitional period as the Service makes a change from a multi-jurisdictional municipal service to a municipal service operated by Bristol and serving the same area Towns. This change was approved at last years Town Meetings as a step to continue the minimal cost to the Towns, especially in the areas of dispatch, insurance, and future staffing.

As is noted elsewhere, a very important change to be made efective Thursday March 1, 1990 is the phone number you should call for emergency ambulance service. On and after that date you should call 524-1545 (Lakes Region Mutual Fire Dispatch Center in Laconia) to request an ambulance for any type emergency.

For other routine ambulance business you can reach our office (located in the Bristol Town Offices at 71 Lake St.) by calling 744-2848 during normal Town office hours.
